

IT AWARENESS INFOGRAPHIC GIF

Objective

Create an **animated infographic poster in GIF format** that promotes awareness, safety, or good practices related to Information Technology. The GIF should look like an **informative poster**, but some of the text, icons, or images must be animated.

Recommended Size: 1080 × 1350 pixels

Your infographic should contain:

1. TITLE: Create a short and powerful title.

STOP. THINK. CLICK.

2. MAIN MESSAGE: Explain the importance of your topic.

Think before clicking unknown links.

3. IT TIPS : Include at least **3 tips**.

HOW TO STAY SAFE

1. Check the sender.
2. Don't click suspicious links.
3. Verify the website.
4. Never give away your password.

4. VISUAL ELEMENTS : Use appropriate:

- Icons
- Photos
- Symbols
- Shapes
- Illustrations
- Background graphics

5. CALL TO ACTION : End with a short message.

Examples:

"STAY SAFE ONLINE!"

"THINK BEFORE YOU CLICK!"

"PROTECT YOUR DIGITAL LIFE!"

SAMPLE:

Topic: THINK BEFORE YOU CLICK

Main Message "THINK BEFORE YOU CLICK!"

15-FRAME ANIMATION

Frame Content / Animation

- 1 Background appears with a computer/phone illustration.
- 2 Title appears: "THINK BEFORE YOU CLICK!"
- 3 Warning icon appears beside the title.
- 4 Text appears: "Is this link safe?"
- 5 Suspicious link/message appears on the screen.
- 6 Red warning symbol appears over the suspicious link.

- 7 Tip #1 appears: "1. CHECK THE SENDER"
 - 8 Tip #2 appears: "2. DON'T CLICK UNKNOWN LINKS"
 - 9 Tip #3 appears: "3. CHECK THE WEBSITE ADDRESS"
 - 10 Tip #4 appears: "4. NEVER SHARE YOUR PASSWORD"
 - 11 Shield/security icon appears.
 - 12 Text appears: "STOP. CHECK. VERIFY."
 - 13 Warning message appears: "PHISHING CAN STEAL YOUR INFORMATION!"
 - 14 Final advice appears: "BE SMART. STAY SAFE ONLINE."
 - 15 Final poster appears with the complete message: "THINK BEFORE YOU CLICK!"
-

ANIMATION REQUIREMENTS

Your GIF must have:

- At least **15 frames**
- An IT awareness/advice topic
- A clear title
- At least **3 IT tips**
- Images, icons, or graphics
- Animated text or graphics
- A final call-to-action message
- Looping animation
- Readable text
- Clean infographic design
- Personal Logo
- Personal image/picture

Animation Ideas

You may animate:

- Text appearing
- Text disappearing
- Icons appearing
- Icons moving
- Text changing size
- Warning symbols flashing
- Images moving
- Tips appearing one at a time
- Background elements changing
- Zoom-in/zoom-out effects
